**Short activities that grow gently with
you**

START · GROW · CHALLENGE

Find the star

Circle the star.

LOOK

CHOOSE / DO

Try your answer here

Family support: Point to each shape slowly.

Same pair

Choose the shape that is the same as the example.

LOOK

CHOOSE / DO

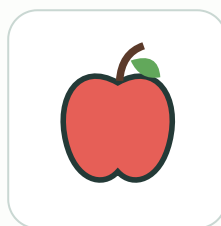

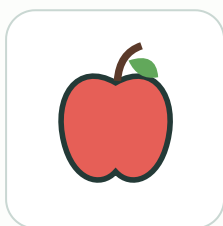

Try your answer here

Family support: Cover two choices and compare one at a time.

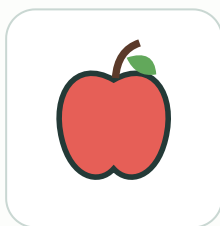

Food or toy

Point to everything in the food group.

LOOK

CHOOSE / DO

Try your answer here

Family support: Name the two groups together first.

Remember three

Look from left to right. Cover the top row, then draw the order.

LOOK

CHOOSE / DO

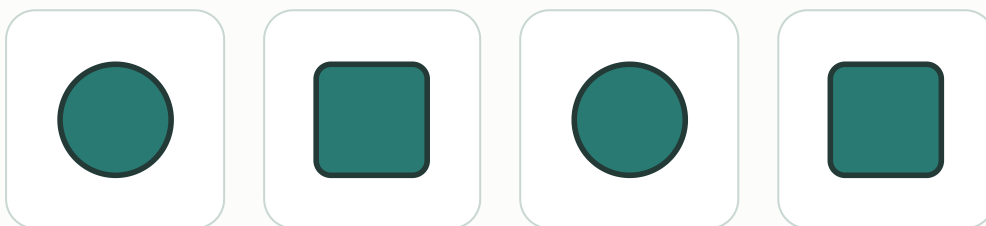

Try your answer here

Family support: Say the three shape names once, then cover the row.

Continue the pattern

Which shape comes next?

LOOK

CHOOSE / DO

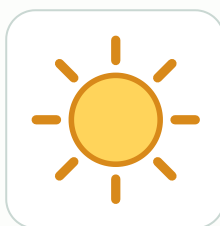

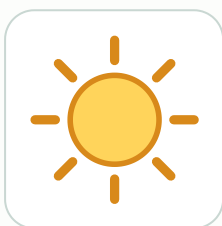

Try your answer here

Family support: Tap and say the repeating pair.

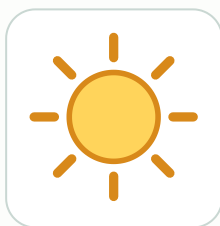

Tap for sunshine

Tap each sun. Keep your hand still for each cloud.

LOOK

CHOOSE / DO

Try your answer here

Family support: Practise once: sun means tap; cloud means wait.

Find every star

Find all the stars and count them.

LOOK

CHOOSE / DO

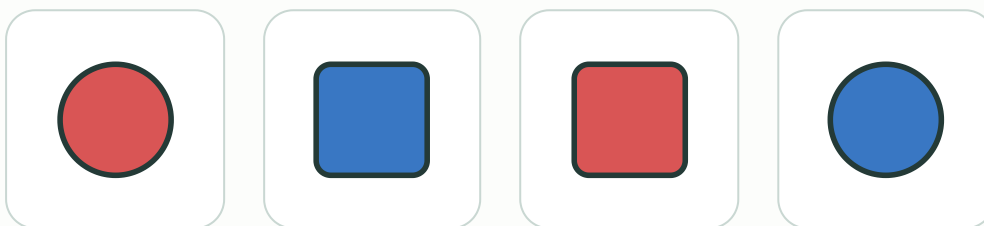

Try your answer here

Family support: Scan one row from left to right.

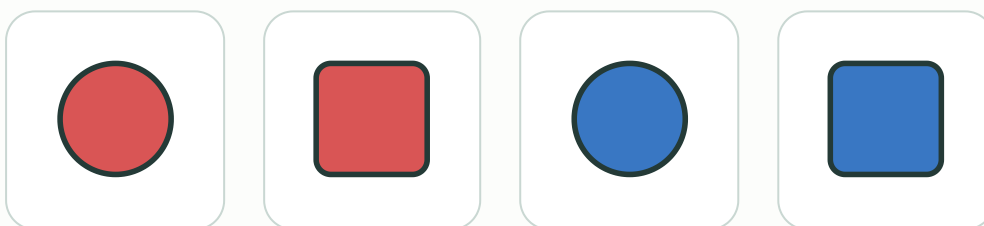

Switch the rule

First point to circles. Now switch: point to every red shape.

LOOK

CHOOSE / DO

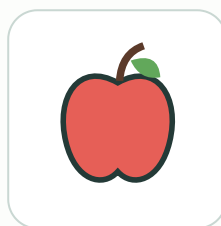

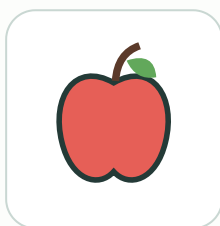

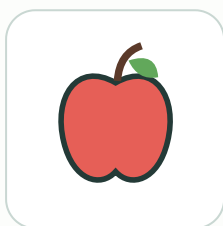

Try your answer here

Family support: First sort by shape; then say the new colour rule aloud.

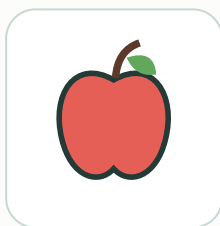

Which one is different?

Circle the picture that does not belong and say why.

LOOK

CHOOSE / DO

Try your answer here

Family support: Name what three pictures have in common.

Family answer guide

Use these to talk together—not as scores or ability labels.
