**Short activities that grow gently with
you**

START · GROW · CHALLENGE

Count the apples

Touch each apple once, then choose the number.

LOOK

CHOOSE / DO

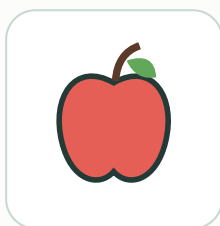

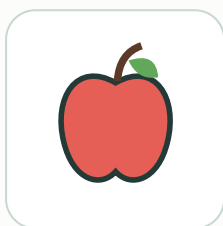

Try your answer here

Family support: Touch each apple once while counting.

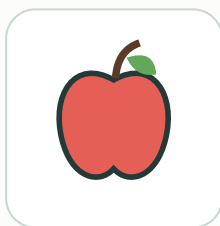

One for each

Draw lines so every apple has one basket.

LOOK

CHOOSE / DO

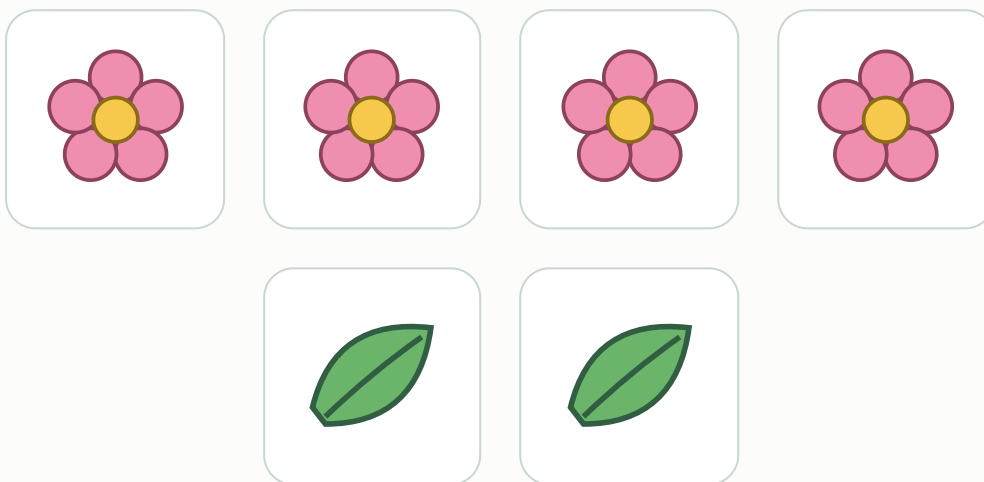

Try your answer here

Family support: Draw one line at a time.

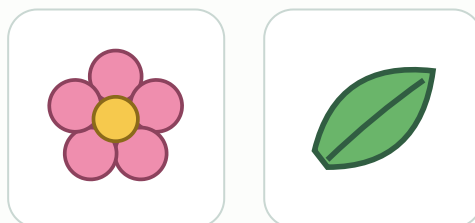

Which has more?

Point to the group with more items.

LOOK

CHOOSE / DO

Try your answer here

Family support: Match pairs before deciding which group has more.

Shape hunt

Circle every circle.

LOOK

CHOOSE / DO

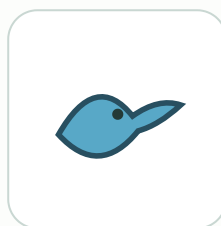

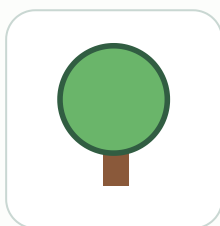

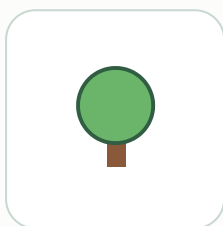

Try your answer here

Family support: Trace each curved edge with a finger.

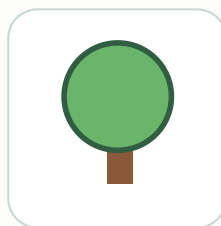

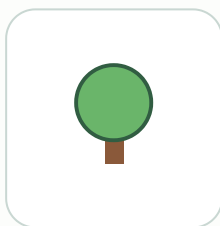

Bigger and above

Point to the bigger tree. Then circle the bird above the nest.

LOOK

CHOOSE / DO

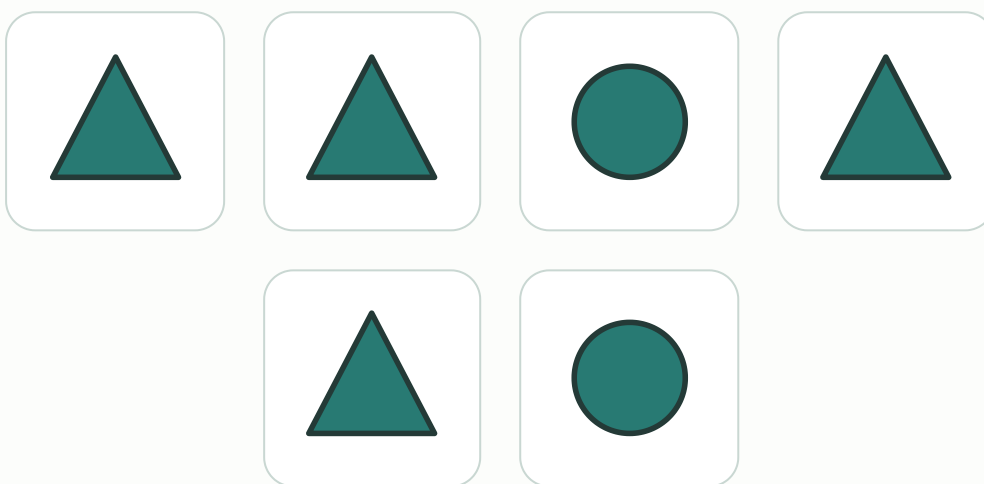

Try your answer here

Family support: Compare height from the same bottom line.

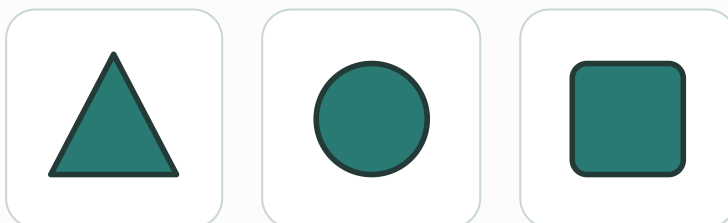

Two-and-one pattern

Choose the next two shapes.

LOOK

CHOOSE / DO

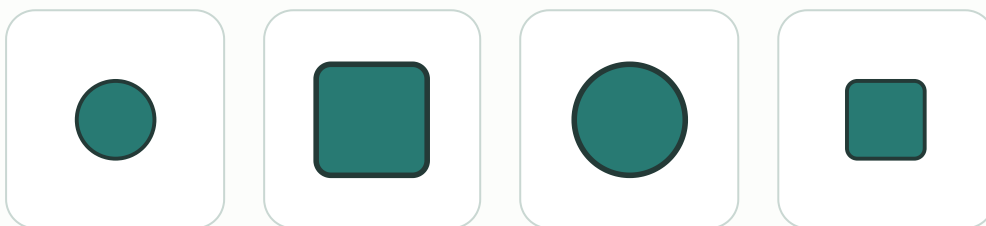

Try your answer here

Family support: Group the pattern as two triangles, one circle.

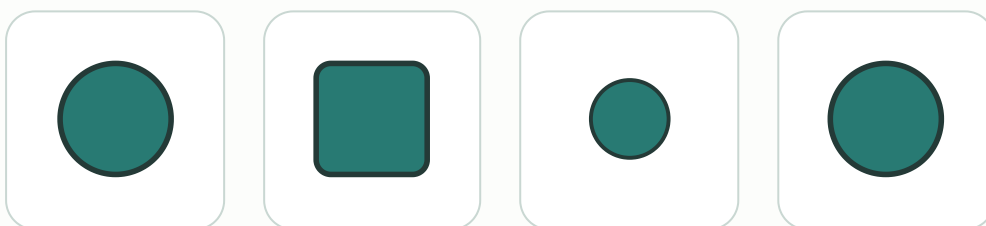

Sort with two rules

Sort by shape, then separate small and large.

LOOK

CHOOSE / DO

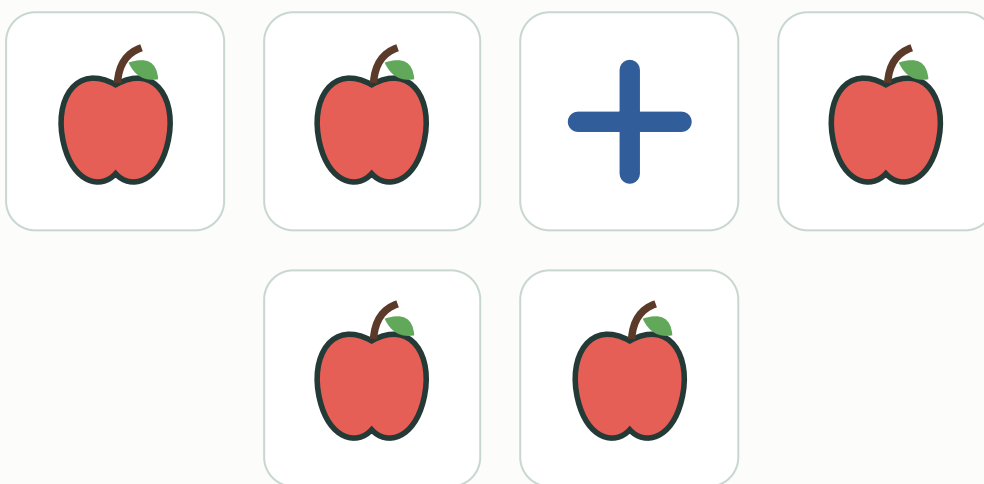

Try your answer here

Family support: Sort by shape first, then by size.

Put the apples together

How many are 2 apples and 3 more apples altogether?

LOOK

CHOOSE / DO

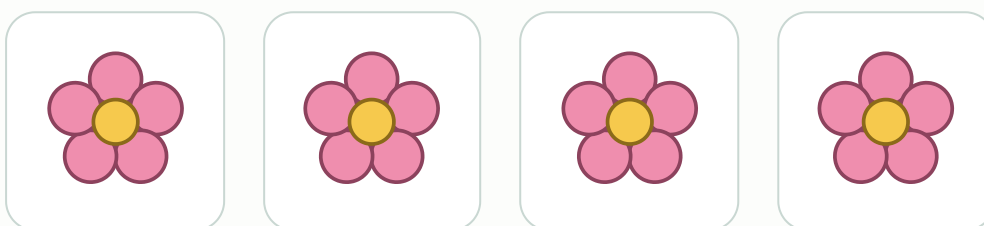

Try your answer here

Family support: Push the two groups together and count all.

How many remain?

There are 4 flowers. Take 1 away. How many remain?

LOOK

CHOOSE / DO

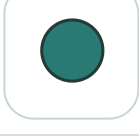

Try your answer here

Family support: Cross out one flower, then count what remains.

Family answer guide

Use these to talk together—not as scores or ability labels.
