Words & World

**Short activities that grow gently with
you**

START · GROW · CHALLENGE

Name this object

Point to the cup and say what we use it for.

LOOK

CHOOSE / DO

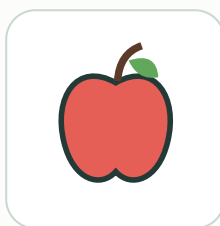

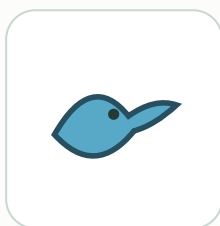

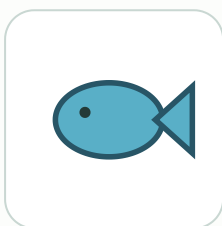

Try your answer here

Family support: Say what the object is used for.

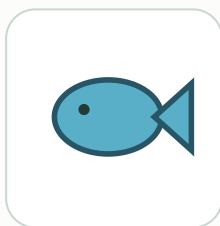

Animal group

Circle every animal.

LOOK

CHOOSE / DO

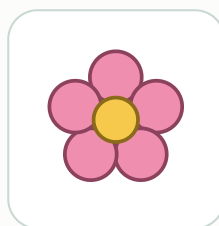

Try your answer here

Family support: Name each picture before grouping.

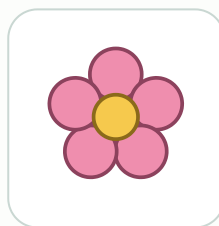

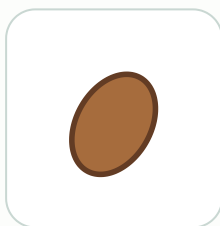

A seed grows

Number the pictures 1–3, from seed to flower.

LOOK

CHOOSE / DO

Try your answer here

Family support: Ask what happens first, next, and last.

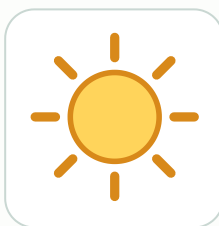

A rainy day

It is raining. What should we take outside?

LOOK

CHOOSE / DO

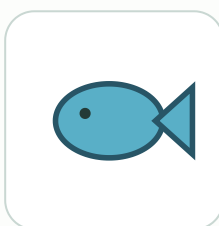

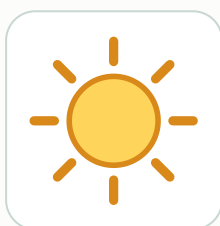

Try your answer here

Family support: Point to the rain clue in the picture.

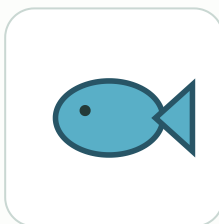

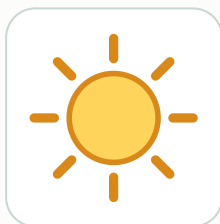

Listen to the first sound

Sun starts with /s/. Which picture starts with the same sound: sun, fish, or ball?

LOOK

CHOOSE / DO

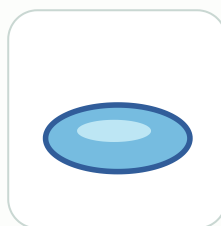

Try your answer here

Family support: Stretch the first sound without asking for spelling.

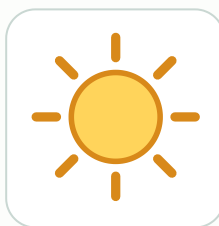

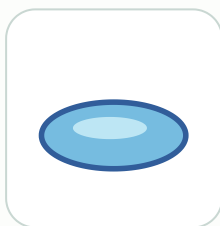

What happens after rain?

Choose what may appear after rain and say why.

LOOK

CHOOSE / DO

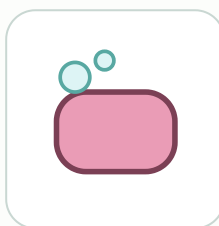

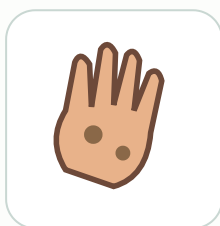

Try your answer here

Family support: Use 'because' to join the two ideas.

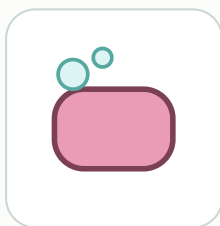

Clean hands

Order the handwashing steps: wet, use soap, rinse.

LOOK

CHOOSE / DO

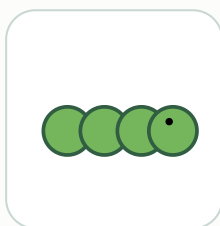

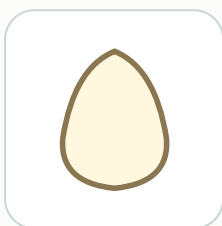

Try your answer here

Family support: Talk through the safe order together.

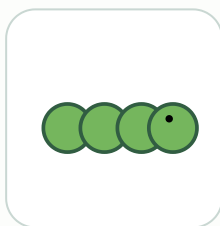

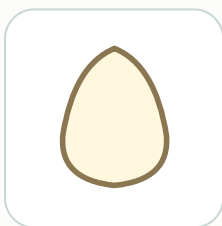

A butterfly changes

Order the life cycle from egg to butterfly.

LOOK

CHOOSE / DO

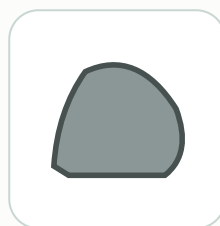

Try your answer here

Family support: Use the arrows to tell the change as a story.

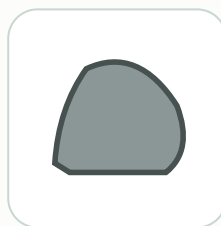

Float or sink

Predict whether the leaf or rock will float, and say why.

LOOK

CHOOSE / DO

Try your answer here

Family support: Invite a prediction, then test it safely with an adult.

Family answer guide

Use these to talk together—not as scores or ability labels.
